

# Beeches Park Day Nursery Terms & Conditions

## General Terms & Conditions

### General

- The nursery is open from 07:30 until 18:00. Staff are not able to accept children before this time due to ratios and insurance cover.
- The nursery is open for 51 weeks of the year, during which time full fees are payable. We are closed for all Bank Holidays. We close one week over the Christmas period, during which no charges will be made.
- Nursery & Pre-School parents are required to book their child to attend a minimum of two sessions per week (e.g. two morning or two afternoon sessions, or one full day per week) all year round.
- We require a minimum of one full months notice in writing of any decrease in the number of sessions your child attends nursery.
- Extra sessions/hours may be booked dependent on availability; these will be added onto your next month's bill. Once an extra session is booked, charges will apply regardless of your child's attendance, unless we receive a minimum of one full month's notice to cancel in writing.
- Breakfast food and drinks are cleared away at 08:45. If you require your child to have breakfast at nursery please ensure they are at nursery by 08:30 at the latest.
- Parents are required to pick up their children by the end of each session, factoring in enough time for staff to give a hand over.
- Parents and carers are responsible for ensuring that they, or an authorised person, collect their children. For the protection of your child, under no circumstances will they be allowed to leave nursery with anyone unknown to nursery staff, unless the parent has previously arranged this. If the parent has made alternative arrangements by telephone, the nursery will require a password, plus the name, address and telephone number of the person permitted to collect the child. A list of persons who are authorised to collect your child should be given to the nursery manager.
- Parents must not allow access to the nursery to anyone else when entering or exiting the building – including other parents. Each visitor must gain access individually by either entering the door code or ringing the bell.

- We reserve the right to administer basic first aid and treatment when necessary.
- We reserve the right to administer calpol or antihistamine where a parent/carer/emergency contact cannot be contacted.

For accidents of a more serious nature, involving hospital treatment, all attempts will be made by nursery to contact the parents but failing this, we are hereby authorised to act on behalf of parents and authorise necessary treatment.
- Secure online software called Nursery in a Box is used for every child's Learning Journal to record progress in line with the Early Years Foundation Stage.
- We have a realistic attitude to the needs of working parents but we reserve the right to contact parents if their child becomes ill during nursery hours.
- Staff have a duty to respond if they suspect a child in their care may be suffering from abuse, or if a child makes a disclosure about abuse. In this event, staff will follow the Safeguarding Policy and take appropriate action.
